AFFIDAVIT IN SUPPORT OF COMPLAINT AND ARREST WARRANT

1. I, Daniel P Horan ("Your affiant"), a Special Agent (SA) with the Federal Bureau of Investigation (FBI), Salt Lake City Division, being duly sworn, depose and state as follows to wit:
2. Your affiant is employed as a Special Agent of the FBI and is currently assigned to the Salt Lake City Field Office. Since joining the FBI, I have investigated violations of federal law, and currently investigate federal crimes concerning violent crimes and crimes aboard aircrafts. I have investigated federal crimes related to crimes aboard aircrafts in the Salt Lake City Division of the FBI. I have gained experience through training in seminars, classes, and everyday work in conducting these types of investigations. Prior to my employment with the FBI, I was an airline pilot, making me familiar with Federal Aviation Regulations as well as crimes aboard aircrafts.
3. On March 24, 2014 HANS LOUDERMILK a 67 year old male, was a passenger aboard Delta Airlines flight 2341 from Los Angeles Airport to Salt Lake City International Airport. Once LOUDERMILK boarded the plane he stood in the aisle and asked the fifteen year old female passenger KD if she would move to the middle seat. She complied and the flight departed without incident. Once airborne a conversation began between LOUDERMILK and KD. This conversation started off just social, however turned sexual in nature.
4. About 25 min to landing LOUDERMILK explained to KD that he could teach her

things sexually that boys her age could not. LOUDERMILK continued to state that she should drive with him and that in the State of Utah he could marry her at her current age. During this conversation LOUDERMILK was moving in closer and started touching the chin of KD. This touching progressed to rubbing KD's leg and upper thigh. KD got extremely nervous and wanted this to end.

5. Once the plane landed, KD quickly got off and looked for the first person of authority. KD found a Transportation Security Administration (TSA) officer and began to tell him of the sexual assault of which she was just victim. When LOUDERMILK saw KD talking to the TSA, he entered a gift shop located near the Terminal 2 screening checkpoint. While in the gift shop LOUDERMILK removed his tan buttoned up style shirt that he was wearing on the plane, and replaced it with a black jacket as to possibly avoid detection by law enforcement.

 DANIEL P. HORAN, Special Agent
 Federal Bureau of Investigation

SUBSCRIBED AND SWORN TO BEFORE ME THIS 26th day of March, 2014.
